### BID NOTICE

**PROJECT NAME:** REHABILITATION OF KABALA WATER SUPPLY SCHEME

**BID NO.:** WO2/RHKWS/SLWC/BADEA/IDB/2012

The Government of Sierra Leone, through SALWACO, is desirous of rehabilitating the Kabala Water Supply Scheme by re-constructing the township water network and a new service reservoir to meet the increased water demand in Kabala. Designs for the works have been completed and the scope of work will include:

- Construct a new 8.5Ml reinforced concrete reservoir and all the necessary fittings;
- Construct and erect in-line valves (air, scour, gate and etc.) and bulk water meters;
- Construct a new 500 mm dia x 21.5km pumping main with ancillary works;
- Construct a new Water Treatment Works with all the necessary pipeworks and electro-mechanical works;
- Construct a new raw water pumpstation at the Abstraction works position;
- Construction of all the relevant fittings to complete the project.

Bids are therefore invited from experienced and competent civil engineering contractors to undertake the works as specified. The successful bidder will be procured using the International Competitive Bidding Method.
